Please note, the addresses allocated are only from the scheme plan, and it should be noted that any amendments to the 223/224 plan depositing, **will** affect the addresses allocated.

If there are no changes, the allocated addresses will become the proposed/final property addresses.

Please ensure:

- 1) The address displayed on any mailbox or signage is changed or repositioned if necessary, to an appropriate place on the property. It must be visible from the road to assist emergency services, New Zealand Post, and utility services.
- 2) Displayed numbers on letterboxes, are at least 25mm high.
- 3) If your property is on a corner site, the mailbox is placed on the correct road.
- 4) Where your property is leased or tenanted that you advise the occupants of the street address. This is your responsibility.

Auckland Council allocates street numbers under section 319B of the Local Government Act 1974 and the current New Zealand and Australian addressing standards.
