3.0 Possession and Settlement

Possession

- 3.1 Unless particulars of a tenancy are included in this agreement, the property is sold with vacant possession and the vendor shall so yield the property on the settlement date.
- 3.2 If the property is sold with vacant possession, then subject to the rights of any tenants of the property, the vendor shall permit the purchaser or any person authorised by the purchaser in writing, upon reasonable notice:
- (1) to enter the property on one occasion prior to the settlement date for the purposes of examining the property, chattels and fixtures which are included in the sale; and
 - (2) to re-enter the property no later than the day prior to the settlement date to confirm compliance by the vendor with any agreement made by the vendor to carry out any work on the property, the chattels and the fixtures.
- 3.3 Possession shall be given and taken on the settlement date. Outgoings and incomings in respect of the settlement date are the responsibility of and belong to the vendor.
- 3.4 On the settlement date, the vendor shall make available to the purchaser keys to all exterior doors that are locked by key, electronic door openers to all doors that are opened electronically, and the keys and/or security codes to any alarms. The vendor does not have to make available keys, electronic door openers, and security codes where the property is tenanted and these are held by the tenant.

Settlement

- 3.5 The vendor shall prepare, at the vendor's own expense, a settlement statement. The vendor shall tender the settlement statement to the purchaser or the purchaser's lawyer a reasonable time prior to the settlement date.
- 3.6 The purchaser's lawyer shall:
- (1) within a reasonable time prior to the settlement date create a Landonline Workspace for the transaction, notify the vendor's lawyer of the dealing number allocated by LINZ, and prepare in that workspace a transfer instrument in respect of the property; and
 - (2) prior to settlement:
 - (a) lodge in that workspace the tax information contained in the transferee's tax statement; and
 - (b) certify and sign the transfer instrument.
- 3.7 The vendor's lawyer shall:
- (1) within a reasonable time prior to the settlement date prepare in that workspace all other electronic instruments required to confer title on the purchaser in terms of the vendor's obligations under this agreement; and
 - (2) prior to settlement:
 - (a) lodge in that workspace the tax information contained in the transferor's tax statement; and
 - (b) have those instruments and the transfer instrument certified, signed and, where possible, pre-validated.

- 3.8 On the settlement date:
- (1) the balance of the purchase price, interest and other moneys, if any, shall be paid by the purchaser in cleared funds or otherwise satisfied as provided in this agreement (credit being given for any amount payable by the vendor under subclause 3.12 or 3.13, or for any deduction allowed to the purchaser under subclause 5.2, or for any compensation agreed by the vendor in respect of a claim made by the purchaser pursuant to subclause 10.2(1), or for any interim amount the purchaser is required to pay to a stakeholder pursuant to subclause 10.8);
 - (2) the vendor's lawyer shall immediately thereafter:
 - (a) release or procure the release of the transfer instrument and the other instruments mentioned in subclause 3.7(1) so that the purchaser's lawyer can then submit them for registration;
 - (b) pay to the purchaser's lawyer the LINZ registration fees on all of the instruments mentioned in subclause 3.7(1), unless these fees will be invoiced to the vendor's lawyer by LINZ directly; and
 - (c) deliver to the purchaser's lawyer any other documents that the vendor must provide to the purchaser on settlement in terms of this agreement, including where this agreement provides for the property to be sold tenanted, all leases relating to the tenancy that are held by the vendor and a notice from the vendor to each tenant advising them of the sale of the property and directing them to pay to the purchaser as landlord, in such manner as the purchaser may prescribe, all rent or other moneys payable under the leases.
- 3.9 All obligations under subclause 3.8 are interdependent.
- 3.10 The parties shall complete settlement by way of remote settlement, provided that where payment by bank cheque is permitted under the PLS Guidelines, payment may be made by the personal delivery of a bank cheque to the vendor's lawyer's office, so long as it is accompanied by the undertaking from the purchaser's lawyer required by those Guidelines.

Last-Minute Settlement

- 3.11 If due to the delay of the purchaser, settlement takes place between 4.00 pm and 5.00 pm on the settlement date ("last-minute settlement"), the purchaser shall pay the vendor:
- (1) one day's interest at the interest rate for late settlement on the portion of the purchase price paid in the last-minute settlement; and
 - (2) if the day following the last-minute settlement is not a working day, an additional day's interest (calculated in the same manner) for each day until, but excluding, the next working day.

Purchaser Default: Late Settlement

- 3.12 If any portion of the purchase price is not paid upon the due date for payment, then, provided that the vendor provides reasonable evidence of the vendor's ability to perform any obligation the vendor is obliged to perform on that date in consideration for such payment:
- (1) the purchaser shall pay to the vendor interest at the interest rate for late settlement on the portion of the purchase price so unpaid for the period from the due date for payment until payment ("the default period"); but nevertheless, this stipulation is without prejudice to any of the vendor's rights or remedies including any right to claim for additional expenses and damages. For the purposes of this subclause, a payment made on a day other than a working day or after the termination of a working day shall be deemed to be made on the next following working day and interest shall be computed accordingly; and
 - (2) the vendor is not obliged to give the purchaser possession of the property or to pay the purchaser any amount for remaining in possession, unless this agreement relates to a tenanted property, in which case the vendor must elect either to:
 - (a) account to the purchaser on settlement for incomings in respect of the property which are payable and received during the default period, in which event the purchaser shall be responsible for the outgoings relating to the property during the default period; or
 - (b) retain such incomings in lieu of receiving interest from the purchaser pursuant to subclause 3.12(1).
 - (3) If the parties are unable to agree upon any amount payable under this subclause 3.12, either party may make a claim under clause 10.0.

Vendor Default: Late Settlement or Failure to Give Possession

- 3.13 (1) For the purposes of this subclause 3.13:
- (a) the default period means:
 - (i) in subclause 3.13(2), the period from the settlement date until the date when the vendor is able and willing to provide vacant possession and the purchaser takes possession; and
 - (ii) in subclause 3.13(3), the period from the date the purchaser takes possession until the date when settlement occurs; and
 - (iii) in subclause 3.13(5), the period from the settlement date until the date when settlement occurs; and
 - (b) the vendor shall be deemed to be unwilling to give possession if the vendor does not offer to give possession.
- (2) If this agreement provides for vacant possession but the vendor is unable or unwilling to give vacant possession on the settlement date, then, provided that the purchaser provides reasonable evidence of the purchaser's ability to perform the purchaser's obligations under this agreement:
- (a) the vendor shall pay the purchaser, at the purchaser's election, either:
 - (i) compensation for any reasonable costs incurred for temporary accommodation for persons and storage of chattels during the default period; or
 - (ii) an amount equivalent to interest at the interest rate for late settlement on the entire purchase price during the default period; and

- (b) the purchaser shall pay the vendor an amount equivalent to the interest earned or which would be earned on overnight deposits lodged in the purchaser's lawyer's trust bank account on such portion of the purchase price (including any deposit) as is payable under this agreement on or by the settlement date but remains unpaid during the default period less:
 - (i) any withholding tax; and
 - (ii) any bank or legal administration fees and commission charges; and
 - (iii) any interest payable by the purchaser to the purchaser's lender during the default period in respect of any mortgage or loan taken out by the purchaser in relation to the purchase of the property.
- (3) If this agreement provides for vacant possession and the vendor is able and willing to give vacant possession on the settlement date, then, provided the purchaser provides reasonable evidence of the purchaser's ability to perform the purchaser's obligations under this agreement, the purchaser may elect to take possession in which case the vendor shall not be liable to pay any interest or other moneys to the purchaser but the purchaser shall pay the vendor the same amount as that specified in subclause 3.13(2)(b) during the default period. A purchaser in possession under this subclause 3.13(3) is a licensee only.
- (4) Notwithstanding the provisions of subclause 3.13(3), the purchaser may elect not to take possession when the purchaser is entitled to take it. If the purchaser elects not to take possession, the provisions of subclause 3.13(2) shall apply as though the vendor were unable or unwilling to give vacant possession on the settlement date.
- (5) If this agreement provides for the property to be sold tenanted then, provided that the purchaser provides reasonable evidence of the purchaser's ability to perform the purchaser's obligations under this agreement, the vendor shall on settlement account to the purchaser for incomings which are payable and received in respect of the property during the default period less the outgoings paid by the vendor during that period. Apart from accounting for such incomings, the vendor shall not be liable to pay any other moneys to the purchaser but the purchaser shall pay the vendor the same amount as that specified in subclause 3.13(2)(b) during the default period.
- (6) The provisions of this subclause 3.13 shall be without prejudice to any of the purchaser's rights or remedies including any right to claim for any additional expenses and damages suffered by the purchaser.
- (7) If the parties are unable to agree upon any amount payable under this subclause 3.13, either party may make a claim under clause 10.0.

Deferment of Settlement and Possession

- 3.14 If
 - (1) this is an agreement for the sale by a commercial on-seller of a household unit; and
 - (2) a code compliance certificate has not been issued by the settlement date in relation to the household unit,
 then, unless the parties agree otherwise (in which case the parties shall enter into a written agreement in the form (if any) prescribed by the Building (Forms) Regulations 2004), the settlement date shall be deferred to the fifth working day following the date upon which the vendor has given the purchaser notice that the code compliance certificate has been issued (which notice must be accompanied by a copy of the certificate).
- 3.15 In every case, if neither party is ready, willing, and able to settle on the settlement date, the settlement date shall be deferred to the third working day following the date upon which one of the parties gives notice it has become ready, willing, and able to settle.
- 3.16 If
 - (1) the property is a unit title;
 - (2) the settlement date is deferred pursuant to either subclause 3.14 or subclause 3.15; and
 - (3) the vendor considers on reasonable grounds that an extension of time is necessary or desirable in order for the vendor to comply with the warranty by the vendor in subclause 8.2(3),
 then the vendor may extend the settlement date:
 - (a) where there is a deferment of the settlement date pursuant to subclause 3.14, to the tenth working day following the date upon which the vendor gives the purchaser notice that the code compliance certificate has been issued, provided the vendor gives notice of the extension to the purchaser no later than the second working day after such notice; or
 - (b) where there is a deferment of the settlement date pursuant to subclause 3.15, to the tenth working day following the date upon which one of the parties gives notice that it has become ready, willing, and able to settle, provided the vendor gives notice of the extension to the purchaser no later than the second working day after such notice.

New Title Provision

- 3.17 (1) Where
 - (a) the transfer of the property is to be registered against a new title yet to be issued; and
 - (b) a search copy, as defined in section 60 of the Land Transfer Act 2017, of that title is not obtainable by the tenth working day prior to the settlement date,
 then, unless the purchaser elects that settlement shall still take place on the agreed settlement date, the settlement date shall be deferred to the tenth working day following the later of the date on which:
 - (i) the vendor has given the purchaser notice that a search copy is obtainable; or
 - (ii) the requisitions procedure under clause 6.0 is complete.
- (2) Subclause 3.17(1) shall not apply where it is necessary to register the transfer of the property to enable a plan to be deposited and title to the property to be issued.

4.0 Residential Land Withholding Tax

- 4.1 If the vendor does not have a conveyancer or the vendor and the purchaser are associated persons, then:
 - (1) the vendor must provide the purchaser or the purchaser's conveyancer, on or before the second working day before the due date for payment of the first residential land purchase amount payable under this agreement, with:
 - (a) sufficient information to enable the purchaser or the purchaser's conveyancer to determine to their reasonable satisfaction whether section 54C of the Tax Administration Act 1994 applies to the sale of the property; and

- (b) if the purchaser or the purchaser's conveyancer determines to their reasonable satisfaction that section 54C of the Tax Administration Act 1994 does apply, all of the information required by that section and either an RLWT certificate of exemption in respect of the sale or otherwise such other information that the purchaser or the purchaser's conveyancer may reasonably require to enable the purchaser or the purchaser's conveyancer to determine to their reasonable satisfaction the amount of RLWT that must be withheld from each residential land purchase amount;
- (2) the vendor shall be liable to pay any costs reasonably incurred by the purchaser or the purchaser's conveyancer in relation to RLWT, including the cost of obtaining professional advice in determining whether there is a requirement to withhold RLWT and the amount of RLWT that must be withheld, if any; and
- (3) any payments payable by the purchaser on account of the purchase price shall be deemed to have been paid to the extent that:
 - (a) RLWT has been withheld from those payments by the purchaser or the purchaser's conveyancer as required by the RLWT rules; and
 - (b) any costs payable by the vendor under subclause 4.1(2) have been deducted from those payments by the purchaser or the purchaser's conveyancer.
- 4.2 If the vendor does not have a conveyancer or the vendor and the purchaser are associated persons and if the vendor fails to provide the information required under subclause 4.1(1), then the purchaser may:
 - (1) defer the payment of the first residential land purchase amount payable under this agreement (and any residential land purchase amount that may subsequently fall due for payment) until such time as the vendor supplies that information; or
 - (2) on the due date for payment of that residential land purchase amount, or at any time thereafter if payment has been deferred by the purchaser pursuant to this subclause and the vendor has still not provided that information, treat the sale of the property as if it is being made by an offshore RLWT person where there is a requirement to pay RLWT.
- 4.3 If pursuant to subclause 4.2 the purchaser treats the sale of the property as if it is being made by an offshore RLWT person where there is a requirement to pay RLWT, the purchaser or the purchaser's conveyancer may:
 - (1) make a reasonable assessment of the amount of RLWT that the purchaser or the purchaser's conveyancer would be required by the RLWT rules to withhold from any residential land purchase amount if the sale is treated in that manner; and
 - (2) withhold that amount from any residential land purchase amount and pay it to the Commissioner as RLWT.
- 4.4 Any amount withheld by the purchaser or the purchaser's conveyancer pursuant to subclause 4.3 shall be treated as RLWT that the purchaser or the purchaser's conveyancer is required by the RLWT rules to withhold.
- 4.5 The purchaser or the purchaser's conveyancer shall give notice to the vendor a reasonable time before payment of any sum due to be paid on account of the purchase price of:
 - (1) the costs payable by the vendor under subclause 4.1(2) that the purchaser or the purchaser's conveyancer intends to deduct; and
 - (2) the amount of RLWT that the purchaser or the purchaser's conveyancer intends to withhold.

5.0 Risk and insurance

- 5.1 The property and chattels shall remain at the risk of the vendor until possession is given and taken.
- 5.2 If, prior to the giving and taking of possession, the property is destroyed or damaged, and such destruction or damage has not been made good by the settlement date, then the following provisions shall apply:
 - (1) if the destruction or damage has been sufficient to render the property untenantable and it is untenantable on the settlement date, the purchaser may:
 - (a) complete the purchase at the purchase price, less a sum equal to any insurance moneys received or receivable by or on behalf of the vendor in respect of such destruction or damage, provided that no reduction shall be made to the purchase price if the vendor's insurance company has agreed to reinstate for the benefit of the purchaser to the extent of the vendor's insurance cover; or
 - (b) cancel this agreement by serving notice on the vendor in which case the vendor shall return to the purchaser immediately the deposit and any other moneys paid by the purchaser, and neither party shall have any right or claim against the other arising from this agreement or its cancellation;
 - (2) if the property is not untenantable on the settlement date, the purchaser shall complete the purchase at the purchase price less a sum equal to the amount of the diminution in value of the property which, to the extent that the destruction or damage to the property can be made good, shall be deemed to be equivalent to the reasonable cost of reinstatement or repair;
 - (3) in the case of a property zoned for rural purposes under an operative District Plan, damage to the property shall be deemed to have rendered the property untenantable where the diminution in value exceeds an amount equal to 20% of the purchase price; and
 - (4) if the amount of the diminution in value is disputed, the parties shall follow the same procedure as that set out in subclause 10.8 for when an amount of compensation is disputed.
- 5.3 The purchaser shall not be required to take over any insurance policies held by the vendor.

6.0 Title, boundaries and requisitions

- 6.1 The vendor shall not be bound to point out the boundaries of the property except that on the sale of a vacant residential lot which is not limited as to parcels the vendor shall ensure that all boundary markers required by the Cadastral Survey Act 2002 and any related rules and regulations to identify the boundaries of the property are present in their correct positions at the settlement date.
- 6.2 (1) The purchaser is deemed to have accepted the vendor's title except as to objections or requisitions which the purchaser is entitled to make and notice of which the purchaser serves on the vendor on or before the earlier of:
 - (a) the tenth working day after the date of this agreement; or
 - (b) the settlement date.

- (2) Where the transfer of the property is to be registered against a new title yet to be issued, the purchaser is deemed to have accepted the title except as to such objections or requisitions which the purchaser is entitled to make and notice of which the purchaser serves on the vendor on or before the fifth working day following the date the vendor has given the purchaser notice that the title has been issued and a search copy of it as defined in section 60 of the Land Transfer Act 2017 is obtainable.
- (3) If the vendor is unable or unwilling to remove or comply with any objection or requisition as to title, notice of which has been served on the vendor by the purchaser, then the following provisions will apply:
- the vendor shall notify the purchaser ("a vendor's notice") of such inability or unwillingness on or before the fifth working day after the date of service of the purchaser's notice;
 - if the vendor does not give a vendor's notice the vendor shall be deemed to have accepted the objection or requisition and it shall be a requirement of settlement that such objection or requisition shall be complied with before settlement;
 - if the purchaser does not on or before the fifth working day after service of a vendor's notice notify the vendor that the purchaser waives the objection or requisition, either the vendor or the purchaser may (notwithstanding any intermediate negotiations) by notice to the other, cancel this agreement.
- 6.3 In the event of cancellation under subclause 6.2(3), the purchaser shall be entitled to the immediate return of the deposit and any other moneys paid under this agreement by the purchaser and neither party shall have any right or claim against the other arising from this agreement or its cancellation. In particular, the purchaser shall not be entitled to any interest or to the expense of investigating the title or to any compensation whatsoever.
- 6.4 (1) If the title to the property being sold is a cross-lease title or a unit title and there are:
- in the case of a cross-lease title:
 - alterations to the external dimensions of any leased structure; or
 - buildings or structures not intended for common use which are situated on any part of the land that is not subject to a restricted use covenant;
 - in the case of a unit title, encroachments out of the principal unit or accessory unit title space (as the case may be):
- then the purchaser may requisition the title under subclause 6.2 requiring the vendor:
- in the case of a cross-lease title, to deposit a new plan depicting the buildings or structures and register a new cross-lease or cross-leases (as the case may be) and any other ancillary dealings in order to convey good title; or
 - in the case of a unit title, to deposit an amendment to the unit plan, a redevelopment plan or new unit plan (as the case may be) depicting the principal and/or accessory units and register such transfers and any other ancillary dealings in order to convey good title.
- (2) The words "alterations to the external dimensions of any leased structure" shall only mean alterations which are attached to the leased structure and enclosed.
- 6.5 The vendor shall not be liable to pay for or contribute towards the expense of erection or maintenance of any fence between the property and any contiguous land of the vendor but this proviso shall not enure for the benefit of any subsequent purchaser of the contiguous land; and the vendor shall be entitled to require the inclusion of a fencing covenant to this effect in any transfer of the property.
- 7.0 Vendor's warranties and undertakings**
- 7.1 The vendor warrants and undertakes that at the date of this agreement the vendor has not:
- received any notice or demand and has no knowledge of any requisition or outstanding requirement:
 - from any local or government authority or other statutory body; or
 - under the Resource Management Act 1991; or
 - from any tenant of the property; or
 - from any other party; or
 - given any consent or waiver, which directly or indirectly affects the property and which has not been disclosed in writing to the purchaser.
- 7.2 The vendor warrants and undertakes that at the date of this agreement the vendor has no knowledge or notice of any fact which might result in proceedings being instituted by or against the vendor or the purchaser in respect of the property.
- 7.3 The vendor warrants and undertakes that at settlement:
- The chattels included in the sale listed in Schedule 2 and all plant, equipment, systems or devices which provide any services or amenities to the property, including, without limitation, security, heating, cooling, or air-conditioning, are delivered to the purchaser in reasonable working order, but in all other respects in their state of repair as at the date of this agreement (fair wear and tear excepted) but failure to do so shall only create a right of compensation.
 - All electrical and other installations on the property are free of any charge whatsoever and all chattels included in the sale are the unencumbered property of the vendor.
 - There are no arrears of rates, water rates or charges outstanding on the property and where the property is subject to a targeted rate that has been imposed as a means of repayment of any loan, subsidy or other financial assistance made available by or through the local authority, the amount required to remove the imposition of that targeted rate has been paid.
 - Where an allowance has been made by the vendor in the settlement statement for incomings receivable, the settlement statement correctly records those allowances including, in particular, the dates up to which the allowances have been made.
 - Where the vendor has done or caused or permitted to be done on the property any works:
 - any permit, resource consent, or building consent required by law was obtained; and
 - to the vendor's knowledge, the works were completed in compliance with those permits or consents; and
 - where appropriate, a code compliance certificate was issued for those works.
 - Where under the Building Act, any building on the property sold requires a compliance schedule:
 - the vendor has fully complied with any requirements specified in any compliance schedule issued by a territorial authority under the Building Act in respect of the building;
 - the building has a current building warrant of fitness; and

- (c) the vendor is not aware of any reason, that the vendor has not disclosed in writing to the purchaser, which would prevent a building warrant of fitness from being supplied to the territorial authority when the building warrant of fitness is next due.
- (7) Since the date of this agreement, the vendor has not given any consent or waiver which directly or indirectly affects the property.
- (8) Any notice or demand received by the vendor, which directly or indirectly affects the property, after the date of this agreement:
 - (a) from any local or government authority or other statutory body; or
 - (b) under the Resource Management Act 1991; or
 - (c) from any tenant of the property; or
 - (d) from any other party,
 has been delivered forthwith by the vendor to either the purchaser or the purchaser's lawyer, unless the vendor has paid or complied with such notice or demand. If the vendor fails to so deliver or pay the notice or demand, the vendor shall be liable for any penalty incurred.
- 7.4 If the property is or includes part only of a building, the warranty and undertaking in subclause 7.3(6) does not apply. Instead the vendor warrants and undertakes at the date of this agreement that, where under the Building Act the building of which the property forms part requires a compliance schedule:
 - (1) to the vendor's knowledge, there has been full compliance with any requirements specified in any compliance schedule issued by a territorial authority under the Building Act in respect of the building;
 - (2) the building has a current building warrant of fitness; and
 - (3) the vendor is not aware of any reason, that the vendor has not disclosed in writing to the purchaser, which would prevent a building warrant of fitness from being supplied to the territorial authority when the building warrant of fitness is next due.
- 7.5 The vendor warrants and undertakes that on or immediately after settlement:
 - (1) If the water and wastewater charges are determined by meter, the vendor will have the water meter read and will pay the amount of the charge payable pursuant to that reading; but if the water supplier will not make special readings, the water and wastewater charges shall be apportioned.
 - (2) Any outgoings included in the settlement statement are paid in accordance with the settlement statement and, where applicable, to the dates shown in the settlement statement, or will be so paid immediately after settlement.
 - (3) The vendor will give notice of sale in accordance with the Local Government (Rating) Act 2002 to the territorial authority and regional council in whose district the land is situated and will also give notice of the sale to every other authority that makes and levies rates or charges on the land and to the supplier of water.
 - (4) Where the property is a unit title, the vendor will notify the body corporate in writing of the transfer of the property and the name and address of the purchaser.

8.0 Unit title and cross-lease provisions

Unit Titles

- 8.1 If the property is a unit title, sections 144 to 153 of the Unit Titles Act require the vendor to provide to the purchaser a pre-contract disclosure statement, a pre-settlement disclosure statement and, if so requested by the purchaser, an additional disclosure statement.

 - (b) a pre-settlement disclosure statement from the vendor, certified correct by the body corporate, under section 147 of the Unit Titles Act. Any periodic contributions to the operating account shown in that pre-settlement disclosure statement shall be apportioned. There shall be no apportionment of contributions to any long-term maintenance fund, contingency fund or capital improvement fund.
 - (4) There are no other amounts owing by the owner under any provision of the Unit Titles Act.
 - (5) There are no unsatisfied judgments against the body corporate and no proceedings have been instituted against or by the body corporate.
 - (6) No order or declaration has been made by any Court against the body corporate or the owner under any provision of the Unit Titles Act.
 - (7) The vendor has no knowledge or notice of any fact which might result in:
 - (a) the owner or the purchaser incurring any other liability under any provision of the Unit Titles Act; or
 - (b) any proceedings being instituted by or against the body corporate; or
 - (c) any order or declaration being sought against the body corporate or the owner under any provision of the Unit Titles Act.
 - (8) The vendor is not aware of proposals to pass any body corporate resolution relating to its rules nor are there any unregistered changes to the body corporate rules which have not been disclosed in writing to the purchaser.
 - (9) No lease, licence, easement, or special privilege has been granted by the body corporate in respect of any part of the common property which has not been disclosed in writing to the purchaser.
 - (10) No resolution has been passed and no application has been made and the vendor has no knowledge of any proposal for:
 - (a) the transfer of the whole or any part of the common property;
 - (b) the addition of any land to the common property;
 - (c) the cancellation of the unit plan; or

- (d) the deposit of an amendment to the unit plan, a redevelopment plan, or a new unit plan in substitution for the existing unit plan,
which has not been disclosed in writing to the purchaser.
- (11) As at settlement, all contributions and other moneys payable by the vendor to the body corporate have been paid in full.
- 8.3 If the property is a unit title and if the vendor does not provide the certificates of insurance and the pre-settlement disclosure statement under section 147 of the Unit Titles Act in accordance with the requirements of subclause 8.2(3), then in addition to the purchaser's rights under sections 149 and 150 of the Unit Titles Act, the purchaser may:
- (1) postpone the settlement date until the fifth working day following the date on which that information is provided to the purchaser; or
 - (2) elect that settlement shall still take place on the settlement date.
- 8.4 If the property is a unit title, each party specifies that:
- (1) any email address of that party's lawyer provided on the back page of this agreement, or notified subsequently in writing by that party's lawyer shall be an address for service for that party for the purposes of section 205(1)(d) of the Unit Titles Act; and
 - (2) if that party is absent from New Zealand, that party's lawyer shall be that party's agent in New Zealand for the purposes of section 205(2) of the Unit Titles Act.
- 8.5 If the property is a unit title, any costs owing by the purchaser to the vendor pursuant to section 148(5) of the Unit Titles Act for providing an additional disclosure statement shall be included in the moneys payable by the purchaser on settlement pursuant to subclause 3.8(1). Such costs may be deducted from the deposit if the purchaser becomes entitled to a refund of the deposit upon cancellation or avoidance of this agreement.
- 8.6 Unauthorised Structures – Cross-Leases and Unit Titles
- (1) Where structures (not stated in clause 6.0 to be requisitionable) have been erected on the property without:
 - (a) in the case of a cross-lease title, any required lessors' consent; or
 - (b) in the case of a unit title, any required body corporate consent,
 the purchaser may demand within the period expiring on the earlier of:
 - (i) the tenth working day after the date of this agreement; or
 - (ii) the settlement date,
 that the vendor obtain the written consent of the current lessors or the body corporate (as the case may be) to such improvements ("a current consent") and provide the purchaser with a copy of such consent on or before the settlement date.
 - (2) Should the vendor be unwilling or unable to obtain a current consent, then the procedure set out in subclauses 6.2(3) and 6.3 shall apply, with the purchaser's demand under subclause 8.6(1) being deemed to be an objection and requisition.
- 9.0 **Conditions and mortgage terms**
- 9.1 Finance condition
- (1) If the purchaser has identified that finance is required on the front page of this agreement, this agreement is conditional upon the purchaser arranging finance for such amount as the purchaser may require from a bank or other lending institution of the purchaser's choice on terms and conditions satisfactory to the purchaser in all respects on or before the finance date.
 - (2) If the purchaser avoids this agreement for failing to arrange finance in terms of subclause 9.1(1), the purchaser must provide a satisfactory explanation of the grounds relied upon by the purchaser, together with supporting evidence, immediately upon request by the vendor.

 - (c) this agreement is conditional upon the purchaser approving that LIM, provided that such approval must not be unreasonably or arbitrarily withheld.
 - (2) If, on reasonable grounds, the purchaser does not approve the LIM, the purchaser shall give notice to the vendor ("the purchaser's notice") on or before the fifteenth working day after the date of this agreement stating the particular matters in respect of which approval is withheld and, if those matters are capable of remedy, what the purchaser reasonably requires to be done to remedy those matters. If the purchaser does not give a purchaser's notice the purchaser shall be deemed to have approved the LIM. If through no fault of the purchaser, the LIM is not available on or before the fifteenth working day after the date of this agreement and the vendor does not give an extension when requested, this condition shall not have been fulfilled and the provisions of subclause 9.10(5) shall apply.
 - (3) The vendor shall give notice to the purchaser ("the vendor's notice") on or before the fifth working day after receipt of the purchaser's notice advising whether or not the vendor is able and willing to comply with the purchaser's notice by the settlement date.
 - (4) If the vendor does not give a vendor's notice, or if the vendor's notice advises that the vendor is unable or unwilling to comply with the purchaser's notice, and if the purchaser does not, on or before the tenth working day after the date on which the purchaser's notice is given, give notice to the vendor that the purchaser waives the objection to the LIM, this condition shall not have been fulfilled and the provisions of subclause 9.10(5) shall apply.
 - (5) If the vendor gives a vendor's notice advising that the vendor is able and willing to comply with the purchaser's notice, this condition is deemed to have been fulfilled, and it shall be a requirement of settlement that the purchaser's notice shall be complied with, and also, if the vendor must carry out work on the property, that the vendor shall obtain the approval of the territorial authority to the work done, both before settlement.

9.4 Building report condition

- (1) If the purchaser has indicated on the front page of this agreement that a building report is required, this agreement is conditional upon the purchaser obtaining at the purchaser's cost on or before the fifteenth working day after the date of this agreement a report on the condition of the buildings and any other improvements on the property that is satisfactory to the purchaser, on the basis of an objective assessment.
- (2) The report must be prepared in good faith by a suitably-qualified building inspector in accordance with accepted principles and methods and it must be in writing.
- (3) Subject to the rights of any tenants of the property, the vendor shall allow the building inspector to inspect the property at all reasonable times upon reasonable notice for the purposes of preparation of the report.
- (4) The building inspector may not carry out any invasive testing in the course of inspection without the vendor's prior written consent.
- (5) If the purchaser avoids this agreement for non-fulfilment of this condition pursuant to subclause 9.10(5), the purchaser must provide the vendor immediately upon request with a copy of the building inspector's report.

9.5 Toxicology report condition

- (1) If the purchaser has indicated on the front page of this agreement that a toxicology report is required, this agreement is conditional upon the purchaser obtaining at the purchaser's cost on or before the fifteenth working day after the date of this agreement, a toxicology report on the property that is satisfactory to the purchaser, on the basis of an objective assessment.
- (2) The purpose of the toxicology report shall be to detect whether the property has been contaminated by the preparation, manufacture or use of drugs including, but not limited to, methamphetamine.
- (3) The report must be prepared in good faith by a suitably-qualified inspector using accepted principles and methods and it must be in writing.
- (4) Subject to the rights of any tenants of the property, the vendor shall allow the inspector to inspect the property at all reasonable times upon reasonable notice for the purposes of carrying out the testing and preparation of the report.
- (5) The inspector may not carry out any invasive testing in the course of the inspection without the vendor's prior written consent.
- (6) If the purchaser avoids this agreement for non-fulfilment of this condition pursuant to subclause 9.10(5), the purchaser must provide the vendor immediately upon request with a copy of the inspector's report.

9.6 OIA consent condition

- (1) If the purchaser has indicated on the front page of this agreement that OIA consent is required, this agreement is conditional upon OIA consent being obtained on or before the OIA date shown on the front page of this agreement on terms and conditions that are satisfactory to the purchaser, acting reasonably, the purchaser being responsible for payment of the application fee.
- (2) If the purchaser has indicated on the front page of this agreement that OIA consent is not required, or has failed to indicate whether it is required, then the purchaser warrants that the purchaser does not require OIA consent.

9.7 If this agreement relates to a transaction to which the Land Act 1948 applies, this agreement is conditional upon the vendor obtaining the necessary consent by the Land Act date shown on the front page of this agreement.

9.8 If the Land Act date or OIA date is not shown on the front page of this agreement that date shall be the settlement date or a date 65 working days from the date of this agreement whichever is the sooner, except where the property comprises residential (but not otherwise sensitive) land in which case that date shall be the settlement date or a date 20 working days from the date of this agreement, whichever is the sooner.

9.9 Resource Management Act condition

- (1) If this agreement relates to a transaction to which section 225 of the Resource Management Act 1991 applies then this agreement is subject to the appropriate condition(s) imposed by that section.

9.10 Operation of conditions

If this agreement is expressed to be subject either to the above or to any other condition(s), then in relation to each such condition the following shall apply unless otherwise expressly provided:

- (1) The condition shall be a condition subsequent.
- (2) The party or parties for whose benefit the condition has been included shall do all things which may reasonably be necessary to enable the condition to be fulfilled by the date for fulfilment.
- (3) Time for fulfilment of any condition and any extended time for fulfilment to a fixed date shall be of the essence.
- (4) The condition shall be deemed to be not fulfilled until notice of fulfilment has been served by one party on the other party.
- (5) If the condition is not fulfilled by the date for fulfilment, either party may at any time before the condition is fulfilled or waived avoid this agreement by giving notice to the other. Upon avoidance of this agreement, the purchaser shall be entitled to the immediate return of the deposit and any other moneys paid by the purchaser under this agreement and neither party shall have any right or claim against the other arising from this agreement or its termination.
- (6) At any time before this agreement is avoided, the purchaser may waive any finance condition and either party may waive any other condition which is for the sole benefit of that party. Any waiver shall be by notice.

10.0 Claims for compensation

10.1 If the purchaser has not purported to cancel this agreement, the breach by the vendor of any term of this agreement does not defer the purchaser's obligation to settle, but that obligation is subject to the provisions of this clause 10.0.

10.2 The provisions of this clause apply if:

- (1) the purchaser claims a right to compensation for:
 - (a) a breach of any term of this agreement; or
 - (b) a misrepresentation; or
 - (c) a breach of section 9 or section 14 of the Fair Trading Act 1986; or
 - (d) an equitable set-off, or

- (2) there is a dispute between the parties regarding any amounts payable:
 - (a) under subclause 3.12 or subclause 3.13; or
 - (b) under subclause 5.2.
- 10.3 To make a claim under this clause 10.0:
 - (1) the claimant must serve notice of the claim on the other party on or before the last working day prior to the settlement date (except for claims made after the settlement date for amounts payable under subclause 3.12 or subclause 3.13, in respect of which the claimant may serve notice of the claim on the other party at any time after a dispute arises over those amounts); and
 - (2) the notice must:
 - (a) state the particular breach of the terms of the agreement, or the claim under subclause 3.12, subclause 3.13 or subclause 5.2, or for misrepresentation, or for breach of section 9 or section 14 of the Fair Trading Act 1986, or for an equitable set-off; and
 - (b) state a genuine pre-estimate of the loss suffered by the claimant; and
 - (c) be particularised and quantified to the extent reasonably possible as at the date of the notice.
- 10.4 If the claimant is unable to give notice under subclause 10.3 in respect of claims under subclause 10.2(1) or subclause 10.2(2)(b) by the settlement date by reason of the conduct or omission of the other party, the notice may be served on or before the working day immediately preceding the last working day on which settlement must take place under a settlement notice served by either party under subclause 11.1.
- 10.5 If the amount of compensation is agreed, it shall be deducted from or added to the amount to be paid by the purchaser on settlement.
- 10.6 If the purchaser makes a claim for compensation under subclause 10.2(1) but the vendor disputes the purchaser's right to make that claim, then:
 - (1) the vendor must give notice to the purchaser within three working days after service of the purchaser's notice under subclause 10.3, time being of the essence; and
 - (2) the purchaser's right to make the claim shall be determined by an experienced property lawyer or an experienced litigator appointed by the parties. If the parties cannot agree on the appointee, the appointment shall be made on the application of either party by the president for the time being of the New Zealand Law Society. The appointee's costs shall be met by the party against whom the determination is made.
- 10.7 If the purchaser makes a claim for compensation under subclause 10.2(1) and the vendor fails to give notice to the purchaser pursuant to clause 10.6, the vendor is deemed to have accepted that the purchaser has a right to make that claim.
- 10.8 If it is accepted, or determined under subclause 10.6, that the purchaser has a right to claim compensation under subclause 10.2(1) but the amount of compensation claimed is disputed, or if the claim is made under subclause 10.2(2) and the amount of compensation claimed is disputed, then:
 - (1) an interim amount shall be paid on settlement by the party required to a stakeholder until the amount of the claim is determined;
 - (2) if the parties cannot agree on a stakeholder, the interim amount shall be paid to a stakeholder nominated on the application of either party by the president for the time being of the New Zealand Law Society;
 - (3) the interim amount must be a reasonable sum having regard to all of the circumstances, except that where the claim is under subclause 3.13 the interim amount shall be the lower of the amount claimed, or an amount equivalent to interest at the interest rate for late settlement for the relevant default period on such portion of the purchase price (including any deposit) as is payable under this agreement on or by the settlement date;
 - (4) if the parties cannot agree on the interim amount, the interim amount shall be determined by an experienced property lawyer, an experienced litigator, or, where the claim for compensation is made under subclause 5.2, an experienced registered valuer or quantity surveyor appointed by the parties. The appointee's costs shall be met equally by the parties. If the parties cannot agree on the appointee, the appointment shall be made on the application of either party by the president for the time being of the New Zealand Law Society;
 - (5) the amount of the claim determined to be payable shall not be limited by the interim amount;
 - (6) the stakeholder shall lodge the interim amount on an interest-bearing call deposit with a bank registered under the Reserve Bank of New Zealand Act 1989 in the joint names of the vendor and the purchaser;
 - (7) the interest earned on the interim amount net of any withholding tax and any bank or legal administration fees and commission charges shall follow the destination of the interim amount;
 - (8) apart from the net interest earned on the interim amount, no interest shall be payable by either party to the other in respect of the claim for compensation once the amount of the claim has been determined, provided that if the amount determined is in excess of the interim amount, the party liable to make payment of that excess shall pay interest to the other party at the interest rate for late settlement on the amount of that excess if it is not paid on or before the third working day after the date of notification of the determination, computed from the date of such notification until payment.
- 10.9 Where a determination has to be made under subclause 10.6(2) or subclause 10.8(4) and the settlement date will have passed before the determination is made, the settlement date shall be deferred to the second working day following the date of notification to both parties of the determination. Where a determination has to be made under both of these subclauses, the settlement date shall be deferred to the second working day following the date on which notification to both parties has been made of both determinations.
- 10.10 The procedures prescribed in subclauses 10.1 to 10.9 shall not prevent either party from taking proceedings for specific performance of the contract.
- 10.11 A determination under subclause 10.6 that the purchaser does not have a right to claim compensation under subclause 10.2(1) shall not prevent the purchaser from pursuing that claim following settlement.
- 10.12 Where a determination is made by a person appointed under either subclause 10.6 or subclause 10.8, that person shall not be liable to either party for any costs or losses that either party may claim to have suffered in respect of the determination.

11.0 Notice to complete and remedies on default

- 11.1 (1) If the sale is not settled on the settlement date, either party may at any time thereafter serve on the other party a settlement notice.
- (2) The settlement notice shall be effective only if the party serving it is at the time of service either in all material respects ready, able, and willing to proceed to settle in accordance with clauses 3.0 and 10.0 or is not so ready, able, and willing to settle only by reason of the default or omission of the other party.
- (3) If the purchaser is in possession, the vendor's right to cancel this agreement will be subject to sections 28 to 36 of the Property Law Act 2007 and the settlement notice may incorporate or be given with a notice under section 28 of that Act complying with section 29 of that Act.
- 11.2 Subject to subclause 11.1(3), upon service of the settlement notice the party on whom the notice is served shall settle:
- (1) on or before the twelfth working day after the date of service of the notice; or
- (2) on the first working day after the 13th day of January if the period of twelve working days expires during the period commencing on the 6th day of January and ending on the 13th day of January, both days inclusive, time being of the essence, but without prejudice to any intermediate right of cancellation by either party.
- 11.3 (1) If this agreement provides for the payment of the purchase price by instalments and the purchaser fails duly and punctually to pay any instalment on or within one month from the date on which it fell due for payment then, whether or not the purchaser is in possession, the vendor may immediately give notice to the purchaser calling up the unpaid balance of the purchase price, which shall upon service of the notice fall immediately due and payable.
- (2) The date of service of the notice under this subclause shall be deemed the settlement date for the purposes of subclause 11.1.
- (3) The vendor may give a settlement notice with a notice under this subclause.
- (4) For the purpose of this subclause a deposit is not an instalment.
- 11.4 If the purchaser does not comply with the terms of the settlement notice served by the vendor then, subject to subclause 11.1(3):
- (1) Without prejudice to any other rights or remedies available to the vendor at law or in equity, the vendor may:
- (a) sue the purchaser for specific performance; or
- (b) cancel this agreement by notice and pursue either or both of the following remedies, namely:
- (i) forfeit and retain for the vendor's own benefit the deposit paid by the purchaser, but not exceeding in all 10% of the purchase price; and/or
- (ii) sue the purchaser for damages.
- (2) Where the vendor is entitled to cancel this agreement, the entry by the vendor into a conditional or unconditional agreement for the resale of the property or any part thereof shall take effect as a cancellation of this agreement by the vendor if this agreement has not previously been cancelled and such resale shall be deemed to have occurred after cancellation.
- (3) The damages claimable by the vendor under subclause 11.4(1)(b)(ii) shall include all damages claimable at common law or in equity and shall also include (but shall not be limited to) any loss incurred by the vendor on any bona fide resale contracted within one year from the date by which the purchaser should have settled in compliance with the settlement notice. The amount of that loss may include:
- (a) interest on the unpaid portion of the purchase price at the interest rate for late settlement from the settlement date to the settlement of such resale; and
- (b) all costs and expenses reasonably incurred in any resale or attempted resale; and

- (1) sue the vendor for specific performance; or
- (2) cancel this agreement by notice and require the vendor forthwith to repay to the purchaser any deposit and any other money paid on account of the purchase price and interest on such sum(s) at the interest rate for late settlement from the date or dates of payment by the purchaser until repayment.
- 11.6 The party serving a settlement notice may extend the term of the notice for one or more specifically stated periods of time and thereupon the term of the settlement notice shall be deemed to expire on the last day of the extended period or periods and it shall operate as though this clause stipulated the extended period(s) of notice in lieu of the period otherwise applicable; and time shall be of the essence accordingly. An extension may be given either before or after the expiry of the period of the notice.
- 11.7 Nothing in this clause shall preclude a party from suing for specific performance without serving a settlement notice.
- 11.8 A party who serves a settlement notice under this clause shall not be in breach of an essential term by reason only of that party's failure to be ready and able to settle upon the expiry of that notice.

12.0 Non-merger

- 12.1 The obligations and warranties of the parties in this agreement shall not merge with:
- (1) the giving and taking of possession;
- (2) settlement;
- (3) the transfer of title to the property;
- (4) delivery of the chattels (if any); or
- (5) registration of the transfer of title to the property.

13.0 Goods and Services Tax

- 13.1 If this agreement provides for the purchaser to pay (in addition to the purchase price stated without GST) any GST which is payable in respect of the supply made under this agreement, then:
- (1) the purchaser shall pay to the vendor the GST which is so payable in one sum on the GST date;
 - (2) where the GST date has not been inserted on the front page of this agreement the GST date shall be the settlement date;
 - (3) where any GST is not so paid to the vendor, the purchaser shall pay to the vendor:
 - (a) interest at the interest rate for late settlement on the amount of GST unpaid from the GST date until payment; and
 - (b) any default GST;
 - (4) it shall not be a defence to a claim against the purchaser for payment to the vendor of any default GST that the vendor has failed to mitigate the vendor's damages by paying an amount of GST when it fell due under the GST Act; and
 - (5) any sum referred to in this clause is included in the moneys payable by the purchaser on settlement pursuant to subclause 3.8(1).
- 13.2 If the supply under this agreement is a taxable supply, the vendor will deliver a tax invoice to the purchaser on or before the GST date or such earlier date as the purchaser is entitled to delivery of an invoice under the GST Act.
- 13.3
- (1) Without prejudice to the vendor's rights and remedies under subclause 13.1, where any GST is not paid to the vendor on or within one month of the GST date, then whether or not the purchaser is in possession, the vendor may immediately give notice to the purchaser calling up any unpaid balance of the purchase price, which shall upon service of the notice fall immediately due and payable.
 - (2) The date of service of the notice under this subclause shall be deemed the settlement date for the purposes of subclause 11.1.
 - (3) The vendor may give a settlement notice under subclause 11.1 with a notice under this subclause.

14.0 Zero-rating

- 14.1 The vendor warrants that the statement on the front page regarding the vendor's GST registration status in respect of the supply under this agreement and any particulars stated by the vendor in Schedule 1 are correct at the date of this agreement and will remain correct at settlement.
- 14.2 The purchaser warrants that any particulars stated by the purchaser in Schedule 1 are correct at the date of this agreement.
- 14.3 Where the particulars stated on the front page and in Schedule 1 indicate that:
- (1) the vendor is and/or will be at settlement a registered person in respect of the supply under this agreement;
 - (2) the recipient is and/or will be at settlement a registered person;
 - (3) the recipient intends at settlement to use the property for making taxable supplies; and
 - (4) the recipient does not intend at settlement to use the property as a principal place of residence by the recipient or a person associated with the recipient under section 2A(1)(c) of the GST Act,
- GST will be chargeable on the supply under this agreement at 0% pursuant to section 11(1)(mb) of the GST Act.
- 14.4 If GST is chargeable on the supply under this agreement at 0% pursuant to section 11(1)(mb) of the GST Act, then on or before settlement the purchaser will provide the vendor with the recipient's name, address, and registration number if any of those details are not included in Schedule 1 or they have altered.
- 14.5
- (1) If any of the particulars stated by the purchaser in Schedule 1:
 - (a) are incomplete; or
 - (b) alter between the date of this agreement and settlement,the purchaser shall notify the vendor of the particulars which have not been completed and the altered particulars as soon as practicable before settlement.
 - (2) The purchaser warrants that any added or altered particulars will be correct as at the date of the purchaser's notification.
 - (3) If the GST treatment of the supply under this agreement should be altered as a result of the added or altered particulars, the vendor shall prepare and deliver to the purchaser or the purchaser's lawyer an amended settlement statement, if the vendor has already tendered a settlement statement, and a credit note or a debit note, as the case may be, if the vendor has already issued a tax invoice.
- 14.6 If
- (1) the particulars in Schedule 1 state that part of the property is being used as a principal place of residence at the date of this agreement; and
 - (2) that part is still being so used at the time of the supply under this agreement,
- then, the supply of that part will be a separate supply in accordance with section 5(15)(a) of the GST Act.
- 14.7 If
- (1) the particulars stated in Schedule 1 indicate that the recipient intends to use part of the property as a principal place of residence by the recipient or a person associated with the recipient under section 2A(1)(c) of the GST Act; and
 - (2) that part is the same part as that being used as a principal place of residence at the time of the supply under this agreement,
- then the references in subclauses 14.3 and 14.4 to "the property" shall be deemed to mean the remainder of the property excluding that part and the references to "the supply under this agreement" shall be deemed to mean the supply under this agreement of that remainder.
- 14.8 If the particulars stated on the front page and in Schedule 1 indicate in terms of subclause 14.3 that GST will be chargeable on the supply under this agreement at 0% pursuant to section 11(1)(mb) of the GST Act, but any of the particulars stated by the purchaser in Schedule 1 should alter between the date of this agreement and settlement, such that GST no longer becomes chargeable on the supply at 0%, then:
- (1) the purchase price shall be plus GST (if any), even if it has been expressed as being inclusive of GST (if any) on the front page of this agreement; and

- (2) if the vendor has already had to account to the Inland Revenue Department for the GST which is payable in respect of the supply under this agreement and did so on the basis that in accordance with subclause 14.3 the GST would be chargeable at 0%, the purchaser shall pay GST and any default GST to the vendor immediately upon demand served on the purchaser by the vendor (and where any GST or default GST is not so paid to the vendor, the purchaser shall pay to the vendor interest at the interest for late settlement on the amount unpaid from the date of service of the vendor's demand until payment).

15.0 Supply of a Going Concern

- 15.1 If there is a supply under this agreement to which section 11(1)(mb) of the GST Act does not apply but which comprises the supply of a taxable activity that is a going concern at the time of the supply, then, unless otherwise expressly stated in this agreement:
- (1) each party warrants that it is a registered person or will be so by the date of the supply;
 - (2) each party agrees to provide the other party by the date of the supply with proof of its registration for GST purposes;
 - (3) the parties agree that they intend that the supply is of a taxable activity that is capable of being carried on as a going concern by the purchaser; and
 - (4) the parties agree that the supply made pursuant to this agreement is the supply of a going concern on which GST is chargeable at 0%.
- 15.2 If it subsequently transpires that GST is payable in respect of the supply and if this agreement provides for the purchaser to pay (in addition to the purchase price without GST) any GST which is payable in respect of the supply made under this agreement, then the provisions of clause 13.0 of this agreement shall apply.

16.0 Limitation of Liability

- 16.1 If any person enters into this agreement as trustee of a trust and if that person has no right to or interest in any assets of the trust, except in that person's capacity as a trustee of the trust, then that person's liability under this agreement will not be personal and unlimited but will be limited to the actual amount recoverable from the assets of the trust from time to time ("the limited amount").

- 17.2 Each executed counterpart will be deemed an original and all executed counterparts together will constitute one (and the same) instrument.

- 18.2 The scope of the authority of the agent under subclause 18.1 does not extend to making an offer, counteroffer, or acceptance of a purchaser's offer or counteroffer on the vendor's behalf without the express authority of the vendor for that purpose. That authority, if given, should be recorded in the executed agency agreement.
- 18.3 The vendor shall be liable to pay the agent's charges including GST in accordance with the executed agency agreement.

24. VENDOR'S SUBDIVISION

- 24.1 The purchaser acknowledges that the lay-out, size and design of the lots (including the Lot(s)), roads, reserves and other aspects of the Development shown on the Scheme Plan, or otherwise available as at the date of this agreement, are indicative only and the vendor reserves the right in its sole discretion to alter the final design, specifications and configuration of the Scheme Plan and the Development (including, without limitation, by increasing or reducing the number of lots or including, altering or cancelling any proposed easements shown on the Scheme Plan or any other documents). Staged Development

- 24.2 The purchaser acknowledges that it is to purchase each Lot on the basis of each Lot being part of the Development, the construction and subdivision of which may be staged and that the purchaser will take title notwithstanding that underlying fee simple plans, boundary adjustment plans, or other such plans may deposit before or after the settlement date.
- 24.3 The vendor will have the free and unrestricted right to vary and complete the Development in such manner as it thinks fit and the vendor will have the right to delay completion of any portion of the Development if necessary for the completion of lots in later stages of the Development. In addition to the foregoing, the vendor may abandon or cancel the Development at any stage of the Development. The purchaser shall not raise any objections or requisitions, delay settlement or claim any compensation, damages, right of set-off or any other right or remedy under this agreement or otherwise at law or in equity with respect to any of the Interests or any no-objection covenant registered under clause 24.7.

- a) Remove the caveat over the title; or
 - b) Consent to the relevant dealing in such form as the vendor may require,
- so that the vendor can proceed to register the relevant Interest or no-objection covenant on the title. The cost of such removal or consent including any costs or expenses incurred by the vendor in relation to such removal or consent will be borne by the purchaser.
- 25.11 The purchaser shall indemnify the vendor from all and against any losses, costs, damages or claims suffered by the vendor as a result of the purchaser's failure to comply with its obligations under clause 25.9 or clause 25.10 (which obligations are essential to the vendor) including all costs and expenses incurred by the vendor directly or indirectly by any consequent delay. If the purchaser fails to remove the caveat, or consent to the registration as described in clause 25.9 or 25.10 (as applicable), within two (2) working days of the vendor's request the vendor may immediately and without further notice either (or both):
- a) take all necessary steps at the purchaser's cost to obtain immediate removal of the caveat. The purchaser agrees that production of this agreement to LINZ together with a written statement from the vendor that the purchaser has failed to comply with a notice issued by the vendor in terms of this clause will be sufficient authority to permit LINZ to remove the caveat from the vendor's title. In addition to the foregoing, the purchaser irrevocably appoints the vendor and each director of the vendor as the purchaser's attorney to sign all documents and do all things in the name of and on behalf the purchaser to remove the caveat;
 - b) cancel this agreement and forfeit the deposit to the vendor,
- in each case, without prejudice to any other claim the vendor may have.
- 25.12 Where the purchaser has registered a caveat against the title to a Lot, and this agreement has been validly cancelled (either in its entirety or with respect to such Lot) the purchaser shall immediately do all things necessary to remove the caveat. If the purchaser fails to remove the caveat within 2 working days of this agreement being so cancelled then clauses 25.9 and 25.11 shall apply in the same manner and to the same extent as if the purchaser never had the right to register the caveat in the first place.

Resident's Association

- 25.13 The Vendor may, as part of the Development, establish an incorporated society (to be known as the Association) to provide common facilities and administer the constitution and bylaws setting out certain controls as to use, design standards, maintenance standards and the conduct of residents and occupiers.

- 25.14 If the Association is established, then the Purchaser, by virtue of ownership of the Property, will be required to be a member of the Association for the term of ownership and must comply with the obligations of membership as set out in the constitution and bylaws.
- 25.15 The Association will have the power to charge an annual levy for the Property's share of facility expenses and for general Association and management expenses in each year, as set out in the constitution. Payment of such levies (and other monies due to the Association from time to time) will be secured by an encumbrance.
- 25.16 The Purchaser, for the Purchaser and the Purchaser's successors in title, covenants with, and for the benefit of the vendor (so as to bind the Property in favour of each of the properties within the Development) and in favour of the Association that the Purchaser will:
- a) comply with the terms of the encumbrance (if any);
 - b) join as a member of the Association (if any) and remain a member while owning the Property, and fulfil and continue to fulfil the obligations of a member of the Association as set out in the constitution (including ensuring that any transferee of the Property executes a deed of covenant in favour of the Association at the cost of the Purchaser) and agrees to be bound by the constitution and the bylaws as a member of the Association.
- 25.17 The restrictive covenants giving effect to the Purchaser's covenants and obligations under this clause 25 will be recorded and secured by registration against the title to the Property. The restrictive covenants (including the encumbrance) may be created at the time of deposit of the Title Plan or, at the option of the Vendor, at the time the Property is transferred to the Purchaser. The encumbrance will include a rent charge that will rank as a first charge against the title to the Property.
- 25.18 The Vendor reserves the right to amend or vary the form of the covenants registered against the title to the Property so long as the amendment or variation is necessary or desirable in the Vendor's opinion for the completion and/or operation of the Development and/or the operation of the Association.

26. FORCE MAJEURE

- 26.1 If war, civil disorders, monetary or economic developments, acts of Government or any Relevant Authority, acts of God, fire, earthquake, flood, explosion, lightning, storm, volcanic activity, public power failure, national emergency, delays in obtaining consents due to the acts of any Relevant Authority, weather conditions, strikes, lock-outs, accidents, business failure of contractors, difficulties with the Underlying Land or the process of subdivision of the Underlying Land or other factors beyond the reasonable control of the vendor whether similar or not (**Specified Event**) prevent the vendor from commencing or continuing the subdivision of the Underlying Land or render it impracticable for the vendor to commence or continue the subdivision of the Underlying Land, then the vendor may by notice in writing to the purchaser advise of the Specified Event and either (at the vendor's option in its sole discretion):
- a) cancel this agreement, in which case the purchaser shall be entitled to the return of the deposit and neither party shall have any right or claim against the other arising from this agreement or its termination; or
 - b) advise the Purchaser that the Sunset Date is extended by the period that the Specified Event causes a delay in the completion of the subdivision, provided that any such extension(s) shall not exceed six (6) months in aggregate.

27. DISCLOSURES AND ACKNOWLEDGMENTS

- 27.1 The vendor discloses and the purchaser acknowledges and agrees that (subject to any express provision to the contrary herein):

- a) The purchaser is not purchasing the property in reliance upon completion of the vendor's overall Development concept or of any part of the vendor's Development proceeding.
 - b) Completion of the Development, or parts of it, may be deferred, suspended or cancelled.
 - c) The purchaser purchases the property solely in reliance on the purchaser's own judgement and not upon any representation or warranty made by the vendor or any agent of the vendor other than the representations and warranties expressly recorded in this agreement. The vendor is not bound by any representations that are not recorded in writing in this agreement.
- 27.2 Subject to any specific right to the contrary in this agreement, the purchaser is not entitled to avoid this agreement or any of its provisions, raise any objection or make any requisition or delay settlement or claim any compensation, damages, right of set-off or any other right or remedy under this agreement or otherwise at law or in equity in respect of any of the matters referred to in clause 27.1.

28. EARLY ACCESS

28.1 If:

- a) the condition in clause 21 of this agreement (and any conditions for the sole benefit of the purchaser) have been satisfied or waived;
- b) the purchaser has paid the deposit in full and is otherwise in compliance with all the terms of this agreement; and
- c) the vendor is satisfied (in its reasonable opinion) that the purchaser will be able to settle the purchase of the property in accordance with this agreement on the settlement date,

then (and only then) the vendor grants early access to the purchaser to the property ("Early Access") from the Early Access Date.

28.2 The parties acknowledge that:

- a) at no stage is Early Access deemed to be the giving and taking of possession of the property;
- b) the risk of all activity on the property and the risk of any Lot Development shall pass from the vendor to the purchaser on the Early Access Date. The purchaser shall be solely responsible for insuring any Lot Development; and
- c) it is the purchaser's sole choice as to whether to commence Lot Development from the Early Access Date but prior to the settlement date. The purchaser assumes all risk associated with any such decision to commence construction prior to the settlement date.

28.3 Early Access shall be granted by the vendor in accordance with clause 28.1 above on the following terms:

- a) the purchaser may only use the Early Access for the purpose of construction of a residential dwelling on the property and ancillary but related works;
- b) the purchaser must not commence any construction of the dwelling or any ancillary works on the property until:
 - (i) the purchaser has provided the vendor with a copy of the intended plans for the dwelling and ancillary works to be constructed (in the form to be submitted to the Relevant Authority for building consent), the same comply with the Land Covenants, and the vendor has approved such plans in writing (which approval

the vendor may withhold in its absolute discretion). The plans to be submitted to the vendor for approval must include a floor plan, exterior elevations, colour scheme and material specifications for the dwelling, and a comprehensive landscaping plan and must be sufficiently advanced to enable the vendor to consider the application for approval. Any approval given by the vendor is for aesthetic purposes only and implies no warranty as to the quality or suitability of the dwelling or ancillary works; and

- (ii) the purchaser has obtained all required building consents and approvals from any Relevant Authority;
- c) the purchaser shall comply with the plans approved by the vendor under subclause (b)(i) above, applicable building consent(s) and approvals from the Relevant Authority for the duration of the period of Early Access and shall comply with the relevant provisions of the Resource Consent (insofar as it relates to the Lot(s) or the construction of Lot Development on the Lot(s));
- d) the purchaser shall comply with all applicable laws during the period of Early Access;
- e) the purchaser shall comply with all of the Land Covenants during the period of Early Access;
- f) the purchaser shall comply with all reasonable health and safety policies/requirements pertaining to the access to the property as determined and notified by the vendor from time to time, it being acknowledged and agreed that these shall be on terms consistent with accepted industry standards. The purchaser shall, on request, provide the vendor with a copy of its Health and Safety plan and manual and its incident register relating to incidents which have occurred on the property. Nothing in this clause limits or affects the purchaser's duty to comply with its own obligations under the Health and Safety at Work Act 2015 including any consequent amendments and enactments passed in substitution for that Act;
- g) the purchaser shall, at its own cost, erect appropriate temporary fencing, to a standard reasonably acceptable to the vendor, around each Lot when undertaking any construction works on the Lot during the period of Early Access;
- h) from commencement of construction on the Lot the purchaser shall hold public indemnity/liability insurance reasonably acceptable to the vendor of not less than \$2,000,000.00 in cover and shall provide evidence of the same to the vendor upon request;
- i) the purchaser is to undertake construction of the Lot Development in a proper and tradesmanlike manner and in accordance with sound building, architectural and engineering practices;
- j) the purchaser shall be solely responsible for any insurances over the property (including Lot Development) and all outgoings with respect to the property (including, without limitation, utilities, rates, water rates, special water meter readings and connection charges) from the Early Access Date and shall reimburse the vendor for the same on demand;
- k) the vendor retains the right to (from time to time) require the purchaser to vacate the property in order for the vendor to undertake any works which may be required on the property pursuant to the Resource Consent or any requirements in respect to completing the vendor's subdivision and Development. The purchaser shall promptly comply with any such demand/direction given by the vendor.

28.4 From commencement of construction from the Early Access Date until the completion of the construction of the dwelling on a Lot, the purchaser shall:

- a) keep and maintain a large rubbish bin on the relevant Lot and ensure that all rubbish is contained daily therein, and that the rubbish bin is emptied at regular intervals; and
- b) keep and maintain a temporary toilet facility (such as a Portaloo or of similar quality) for use on the relevant Lot by the purchaser and all of its contractors, sub-contractors and agents.

If the purchaser fails to comply with (a) or (b) above at any time during the period of construction then the purchaser shall pay to the vendor liquidated damages of five hundred dollars (\$500.00) plus GST for each such instance of non-compliance. The liquidated damages will be payable by the purchaser to the vendor at settlement on the settlement date. The vendor's right to liquidated damages under this clause is without prejudice to any other rights of the vendor under this agreement with respect to such non-compliance.

28.5 The purchaser warrants and undertakes that it is solely responsible for correctly siting the dwelling on a Lot and conforming with any building consent. If the purchaser constructs a dwelling or other improvement over the surveyed boundary of a Lot the vendor shall be entitled to:

- a) require the purchaser to promptly relocate the relevant dwelling and/or other improvements so that they are sited wholly within the boundary of the relevant Lot; or
- b) at the vendor's sole discretion, adjust the boundaries of the relevant Lot (if such circumstances allow) at the purchaser's cost.

28.6 The purchaser unconditionally and irrevocably agrees to indemnify the vendor from and against all costs, expenses, losses, claims and proceedings that the vendor may suffer or incur as a result of or in connection with:

- a) any works undertaken by the purchaser (or its agents or representatives) on the property during the period of Early Access;
- b) any failure by the purchaser to comply with its obligations under this clause 28 during the period of Early Access.

28.7 The purchaser acknowledges and agrees that any warranties of the vendor do not extend to any works done, caused or permitted to be done by the purchaser prior to settlement.

28.8 The purchaser acknowledges and agrees that Early Access is a privilege, not a right. If the purchaser breaches any of its obligations under this clause 28 the vendor may terminate the purchaser's right to Early Access until such time as the breach has been remedied to the satisfaction of the vendor.

28.9 In addition to its rights under clause 28.8, where:

- a) Early Access has been granted;
- b) title to the relevant Lot has issued; and
- c) the purchaser has breached any of its obligations under this clause 28 and has failed to remedy such breach within 5 working days' of notice in writing from the vendor requesting that the breach be remedied,

the vendor may (and without limitation to any other rights of the vendor) elect to escalate the settlement date on not less than ten (10) working days' notice in writing to the purchaser.

28.10 The purchaser shall continue to be bound by the obligations in clauses 28.4 to 28.7 from the settlement date.

28.11 The purchaser may at any time after a title to a Lot has issued, elect to bring forward the settlement date for that Lot on not less than ten (10) working days' notice in writing to the vendor.

30. ADDITIONAL VENDOR POWERS UPON PURCHASER DEFAULT

Default interest

- 30.1 If the purchaser fails to pay any amount due and payable to the vendor under these Further Terms of Sale on the due date for payment then the purchaser shall pay interest on such amount owing calculated at the rate of 20% per annum. Such interest shall accrue daily and shall be payable on demand.

Failure to settle

- 30.2 If the vendor validly cancels this agreement then the vendor shall be entitled to resell the property on any terms and conditions that are acceptable to the vendor in its sole discretion, notwithstanding that improvements may have been erected on the property. To the extent that the improvements (if any) on the property have not legally vested in the vendor at law, the purchaser hereby irrevocably and unconditionally authorises the vendor to sell such improvements in conjunction with any sale of the property and irrevocably appoints the vendor and each director of the vendor (jointly and severally) as its attorney to execute all documents and do all things required to affect a sale of the property and improvements thereon.
- 30.3 If the purchaser fails to settle the purchase of the property on the settlement date and fails to comply with the terms of any settlement notice issued by the vendor and:
- a) the purchaser has not erected any improvements on the property or otherwise undertaken the Lot Development, then clause 11.4 of the General Terms of Sale (as amended under clause 29.1) shall apply;
 - b) the purchaser has erected any improvements on the property or otherwise undertaken the Lot Development, then, in addition to its other rights under clause 11.4 of the General Terms of Sale (as amended under clause 29.1) the vendor may appoint (at the purchaser's cost) an independent qualified valuer to determine the market value of the land (i.e. the property excluding improvements) as at the date of any agreement for resale, and such determination shall be binding on the parties. Upon settlement of the resale (if any), the vendor shall be entitled to deduct from the sale proceeds the following ("Vendor's Entitlements"):
 - (i) either the original purchase price of the property, or the value of the land as determined by the valuer, whichever is the higher;
 - (ii) all amounts calculated pursuant to clauses 11.4(3)(a) to (c) of the General Terms of Sale;
 - (iii) any costs incurred by the vendor, including but not limited to, obtaining all necessary consents for the construction of the dwelling, completing the construction of the dwelling in accordance with the consents, and the connection of any utilities to the dwelling on the property;
 - (iv) the valuer's costs; and
 - (v) all other amounts owing by the purchaser to the vendor under this agreement.
- 30.4 If subclause 30.3(b) applies, then any surplus funds from the resale after the deduction of the Vendor's Entitlements ("Surplus Funds") shall be paid by the vendor to the purchaser as soon as reasonably possible after settlement, in consideration of the purchaser's improvements to the property. For the avoidance of doubt, the payment of the Surplus Funds to the purchaser under this clause 30.4 shall be a good and valid discharge of all obligations of the vendor to the purchaser with respect to the sale of the improvements on the property. The provisions of clause 11.4(4) shall be subject to the provisions of clause 30.3 and this clause 30.4.

31. GOODS AND SERVICES TAX (TO BE READ WITH CLAUSES 13-15 OF THE GENERAL TERMS OF SALE)

GST date

31.1 The supply under this agreement is a taxable supply and notwithstanding anything to the contrary on the front page of this agreement or in clause 13 of the General Terms of Sale, the GST date for the purposes of this agreement shall be the earlier of:

- (a) the settlement date;
- (b) the date 5 working days before the vendor is required to account to the Inland Revenue Department for GST on the supply of the property evidenced by this agreement without incurring any penalty or interest for late payment; or
- (c) the date on which the purchaser is entitled to delivery of an invoice under the GST Act with respect to the supply made under this agreement.

Nomination

31.2 If the purchaser is a registered person for the purposes of GST and wishes to nominate its obligations under this agreement to a purchaser that:

- a) is not a registered person for the purposes of the GST Act; and/or
- b) intends to use any interest in land supplied as a principal place of residence either for itself or for an associated person,

then the purchaser acknowledges that if the vendor has to account to the Inland Revenue Department (IRD) for GST as a result of the nomination (and the purchase price is not specified as being plus GST), the purchase price shall be increased by the then current rate of GST to account for the GST payable by the vendor to the IRD.

Indemnity

31.3 If the purchaser provides incorrect information (by omission or otherwise) under Schedule 1, and as a consequence the GST treatment of the supply under this agreement is incorrect, the purchaser indemnifies the vendor against any GST and/or default GST payable by the vendor as a result of that incorrect GST treatment.

Further Deposit

31.4 The purchaser agrees that if the supply under this agreement is originally zero rated for GST and for any reason is subsequently no longer able to be zero rated for GST then they will immediately pay to the vendor a further deposit equal to ten and one-half per cent (10.5%) of the purchase price in cleared funds.

32. NOMINATION

32.1 If this agreement describes the purchaser as including the purchaser's nominee then notwithstanding any such nomination the purchaser shall remain bound by the terms and conditions of this agreement and shall perform and observe or procure the performance and observation of all the terms and conditions to be performed on the part of the purchaser as principal obligor. The vendor may grant any time or other indulgence to, or compound with, or release the purchaser's nominee or nominees, as the case may be from payment or performance under this agreement without affecting the liability of the purchaser hereunder nor shall the death or insolvency of the purchaser or nominee affect such liability.

- 32.2 If the purchaser nominates someone else to complete the settlement the purchaser must within three (3) working days of the nomination notify the vendor of such nomination and the GST status of the nominee. Failure by the purchaser to immediately notify the vendor of such nomination and the GST status of the nominee within three (3) working days of the nomination will entitle the vendor to cancel this agreement on notice in writing to the purchaser and/or to receive liquidated damages in the sum of five hundred dollars (\$500.00) plus GST.
- 32.3 If the purchaser nominates someone else to complete the settlement and the GST status of the nominee is the same as the GST status of the purchaser then such nomination, if advised to the vendor within one (1) month or less prior to the settlement date, will entitle the vendor to an administration fee in the sum of five hundred dollars (\$500.00) plus GST payable by the purchaser to the vendor at settlement.
- 32.4 If the purchaser nominates someone else to complete the settlement and the GST status of the nominee is different to the GST status of the purchaser then such nomination will entitle the vendor to an administration fee:
- a) in the sum of one thousand five hundred dollars (\$1,500.00) plus GST, if the nomination is advised to the vendor more than one (1) month prior to the settlement date; or
 - b) in the sum of two thousand five hundred dollars (\$2,500.00) plus GST, if the nomination is advised to the vendor one (1) month or less prior to the settlement date,
- which will be payable by the purchaser to the vendor at settlement.
- 32.5 The provisions of clauses 32.2, 32.3 and 32.4 apply to the initial and each subsequent nomination and any amounts payable by virtue of the application of those clauses shall be cumulative.

33. MARKETING

- 33.1 Subject to clause 33.2, the vendor is to have sole responsibility, at its own cost, for the marketing and promotion of the Development. The purchaser must not do, or procure any other person to do, any act that would derogate from the marketing and promotional activities of the vendor.
- 33.2 The purchaser is to have the sole right, at its own cost, to market and promote the Lot Development provided that the purchaser complies with all reasonable branding and marketing guidelines and other reasonable directions notified to it by the vendor.

34. GENERAL

Apportionment of Rates

- 34.1 If the purchaser is liable to pay (or contribute to, or reimburse the vendor for) rates with respect to a Lot (whether during a period of Early Access or at settlement) and the Lot is not separately rated at such time, then the amount of rates attributable to the relevant Lot shall be determined by the vendor based on the area of the applicable Lot as a proportion of the total rated area of the land the subject of the Development (including the Lot but excluding roads and reserves, etc.). The vendor's determination of the applicable rates shall be final and binding on the parties.

Multiple Lots

- 34.2 Where the purchaser is purchasing more than one Lot under this agreement and:
- a) the 224 Certificate for one or more of the Lot(s) issues before the 224 Certificate for the other(s); and/or
 - b) the title for one or more of the Lot(s) issues before the other(s),

then the rights and obligations of the parties under this agreement that turn on a 224 Certificate having been issued and/or a title having issued shall only apply with respect to those Lot(s) in respect of which the relevant requirement has been met. For the avoidance of doubt, the parties acknowledge and agree that the settlement date may differ for each of the Lots.

Entire Agreement

- 34.3 This agreement (including its schedules and appendices) constitutes the entire understanding and agreement of the parties relating to the property, and supercedes and extinguishes all prior agreements.

Severability

- 34.4 If any provision of this agreement or its application to any person or circumstance is or becomes invalid or unenforceable, the remaining provisions will not be affected by that event and each provision will be valid and enforceable to the fullest extent permitted by law.

Amendments

- 34.5 No amendment to this agreement will be effective unless it is in writing and signed by the vendor and purchaser.

Partial Invalidity

- 34.6 The illegality, invalidity or unenforceability of a provision of this agreement under any law will not affect the legality, validity or enforceability of that provision under any other law, or the legality, validity or enforceability of any other provision.

Lowest Price Clause

- 34.7 For the purposes of the financial arrangements rules in the Income Tax Act 2007 and for the purposes of the Credit Contracts and Consumer Finance Act 2003, the parties agree that:
- a) the purchase price for each Lot is the lowest price the parties would have agreed for the sale and purchase of each of the Lots, on the date this agreement was entered into, if payment would have been required in full at the time the first right in the contracted property was transferred;
 - b) the purchase price for each Lot is the value of the relevant Lot and is the “cash price” of the applicable Lot within the meaning of section 5 of the Credit Contracts and Consumer Finance Act 2003 and therefore this agreement does not constitute a deferred payment disposition under that Act;
 - c) they will compute their taxable income for the relevant period on the basis that the purchase price includes no capitalised interest and will file their tax returns accordingly; and
 - d) no part of the purchase price includes capitalised or compounded interest.

Further Assurances

- 34.8 The purchaser agrees that it, and any related party, will not advocate against, or lodge any submission in opposition to, or participate in any objection or appeal in any way (including but not limited to providing funds, facilitating, promoting or assisting any action taken by any third party) which opposes designations, resource consents or notices of requirement, or take any other action, which may have the effect of preventing or interfering with the Crown’s future plans in relation to the land described in Gazette Notice 11482951.2 being Sections 1 and 2 SO 527695 (“Education Land”) for education purposes. This clause shall not merge on settlement but shall remain enforceable to the fullest extent possible until the Ministry of Education has designated the Education Land for education purposes and constructed all improvements on

the Education Land required by the Crown to use the Education Land for its intended purpose (such date being no later than 17 April 2028). The purchaser acknowledges and agrees that this clause confers a benefit on the Crown and is enforceable by the Crown under section 12 of the Contract and Commercial Law Act 2017. The purchaser further acknowledges and agrees that the vendor may, on or prior to settlement, register a land covenant against the title to the property in favour of the Crown which includes the obligations in this clause 34.8, or otherwise incorporate the obligations in this clause 34.8 in the land covenant referred to in clause 25.3, and the purchaser will not object to or attempt to requisition such land covenant.

- 34.9 The vendor and purchaser will each sign, execute and do all deeds, schedules, acts documents and things as may be reasonably required to effectively carry out, and give effect to, the terms and intentions of this agreement.

Confidentiality

- 34.10 Other than disclosures which the purchaser is required to make by law (including with respect to completing its applicable tax returns and financial statements) or disclosures to its professional advisers, the purchaser warrants and undertakes to the vendor that it will not disclose the terms of this agreement or the purchase price payable under this agreement to any third party.

Provision of Information

- 34.11 The purchaser must, within 10 working days of having been requested in writing by the vendor to do so, provide the vendor with any information about the purchaser or the purchaser's nominee(s) that the vendor's lawyer or the vendor's lender(s) reasonably considers necessary in order to satisfy the requirements of the Foreign Account Tax Compliance Act, the Anti-Money Laundering and Countering Financing of Terrorism Act 2009, any global account tax compliance legislation or any other legislative or regulatory authority that requires the provision of personal or identity information. The purchaser acknowledges that the information required may include some or all of the following:

- a) The IRD number of each of the purchasers and guarantors named in this agreement;
- b) A copy of each purchaser's (or in the event of a company, each shareholder's) passport(s) certified as correct by a lawyer, notary public or person authorised to take oaths;
- c) If the purchaser (or its shareholders) is a New Zealand resident and does not have a passport, their full name, date of birth and residential address;
- d) Information set out at 34.11(a) to (c) above with respect to each purchaser's nominee.

If the purchaser, having received a request to provide information in accordance with this clause fails within the specified timeframe to provide the information, the purchaser shall be deemed to be in default of the terms of this agreement. The parties agree that compliance with the obligations in this clause is an essential term of this agreement for the purposes of Subpart 3 of Part 2 of the Contract and Commercial Law Act 2017.

Notices

- 34.12 Notices to be required to be served on the vendor may be delivered in person to the vendor's premises at:

Level 2, Raphoe House
8 Gloucester Park Road,
Onehunga
AUCKLAND 1061

Execution by Vendor

- 34.13 This agreement will not be binding on the vendor until the vendor has signed it.

Power of Attorney

- 34.14 In consideration of the Vendor entering into this Agreement, the Purchaser irrevocably and unconditionally nominates, constitutes and appoints the Vendor or a nominee of the Vendor to be the true and lawful attorney of the Purchaser for the purposes of executing all documents, plans, and to perform all acts, matters and things as may be necessary to:

- a) complete the Development (including any stage of the Development);
- b) apply for, consent to and execute all necessary Regulatory and/or Resource Consents or applications which may be necessary and conduct all appeals (if any) which are necessary or desirable to obtain such Regulatory and/or Resource Consents;
- c) execute all resolutions (including Association resolutions), consents and other documents and exercise all powers necessary to sign, approve and lodge with any Relevant Authority all plans for the Development or any part of it;
- d) appoint the Vendor's nominee to be the proxy of the Purchaser entitling the Vendor's nominee to attend and vote at any meeting of the Association in relation to any motion for a resolution to implement or give effect to any of the matters referred to in this Agreement;
- e) execute all applications, consents, plans, deeds, memoranda, variations and other documents and to exercise all powers necessary to approve and lodge a plan or plans of subdivision (or to amend the same) under the Land Transfer Act 2017;
- f) apply for and obtain separate records of title for combinations of fee simple titles, principal and accessory units and future development units (if applicable);
- g) act as the Purchaser's proxy or exercise the Purchaser's voting rights in the Association until such time as all records of title for the properties in the Development have been issued;
- h) withdraw any caveat improperly lodged by the Purchaser;
- i) execute all other documents required for the continuation and completion of the Development;
- j) obtain the consent of any mortgagee or other interested party for registration purposes;
- k) do any other things necessary or desirable (at the Vendor's discretion) to continue and complete the Development.

BEFORE SIGNING THE AGREEMENT

- Note: the purchaser is entitled to a copy of any signed offer at the time it is made.
- It is recommended both parties seek professional advice before signing. This is especially so if:
 - there are any doubts. Once signed, this will be a binding contract with only restricted rights of termination.
 - the purchaser is not a New Zealand citizen. There are strict controls on the purchase of a property in New Zealand by persons who are not New Zealand citizens.
 - property such as a hotel or a farm is being sold. The agreement is designed primarily for the sale of residential and commercial property.
 - the property is vacant land in the process of being subdivided or there is a new unit title or cross-lease to be issued. In these cases additional clauses may need to be inserted.
 - there is any doubt as to the position of the boundaries.
 - the purchaser wishes to check the weathertightness and soundness of construction of any dwellings or other buildings on the land.
- Both parties may need to have customer due diligence performed on them by their lawyer or conveyancer in accordance with the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 which is best done prior to the signing of this agreement.
- The purchaser should investigate the status of the property under the Council's District Plan. The property and those around it are affected by zoning and other planning provisions regulating their use and future development.
- The purchaser should investigate whether necessary permits, consents and code compliance certificates have been obtained from the Council where building works have been carried out. This investigation can be assisted by obtaining a LIM from the Council.
- The purchaser should compare the title plans against the physical location of existing structures where the property is a unit title or cross-lease. Structures or alterations to structures not shown on the plans may result in the title being defective.
- In the case of a unit title, before the purchaser enters into the agreement:
 - the vendor must provide to the purchaser a pre-contract disclosure statement under section 146 of the Unit Titles Act;
 - the purchaser should check the minutes of the past meetings of the body corporate, enquire whether there are any issues affecting the units and/or the common property, check the body corporate's long-term maintenance plan and enquire whether the body corporate has imposed or proposed levies for a long-term maintenance fund or any other fund for the maintenance of, or remedial or other work to, the common property.
- The vendor should ensure the warranties and undertakings in clauses 7.0 and 8.0:
 - are able to be complied with; and if not
 - the applicable warranty is deleted from the agreement and any appropriate disclosure is made to the purchaser.
- Both parties should ensure the chattels' list in Schedule 2 is accurate.
- Both parties should seek professional advice regarding the GST treatment of the transaction. This depends upon the GST information supplied by the parties and could change before settlement if that information changes.

THE ABOVE NOTES ARE NOT PART OF THIS AGREEMENT AND ARE NOT A COMPLETE LIST OF MATTERS WHICH ARE IMPORTANT IN CONSIDERING THE LEGAL CONSEQUENCES OF THIS AGREEMENT.

PROFESSIONAL ADVICE SHOULD BE SOUGHT REGARDING THE EFFECT AND CONSEQUENCES OF ANY AGREEMENT ENTERED INTO BETWEEN THE PARTIES.
